

# Colour Scheme

Current colours, mindmap, beginning of new theme

## Current Colour Palette

A lot of  
shade  
variation

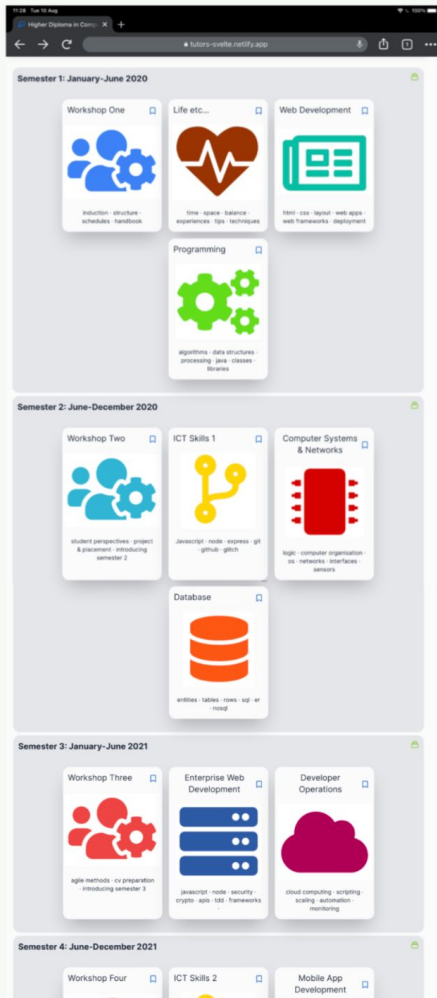

## Current Colour Palette

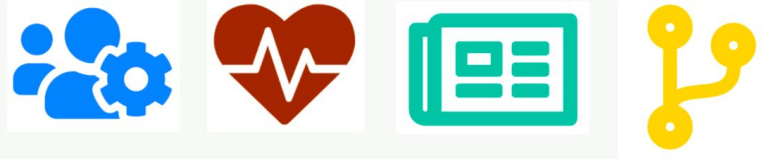

mix of vibrant  
& muted

↳ Rainbow-esque  
educational  
ABCs feel  
intentional?

Create a set  
coloured scheme?

# Cohesive Iconography

Look somewhat related

Similar stroke sizes

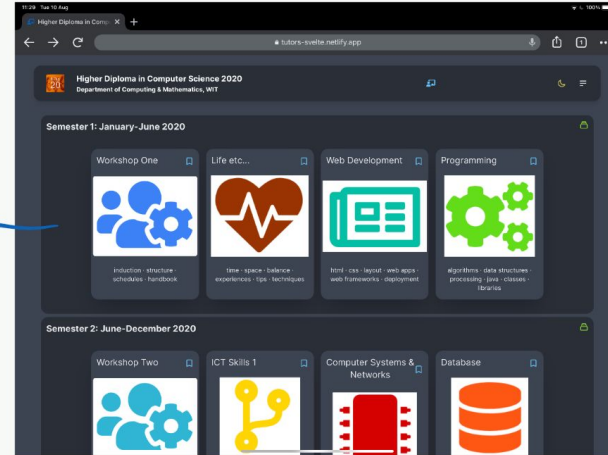

Similar styles

Simple - gets message across

\* create resource of set icons in proper format & preset colours.

backgrounds not transparent

ruins unified tile look

have to check if they work in all available themes
